We recognise our customers are extremely busy people. Sometimes you just can't afford to wait for that email or document to help you secure a vital contract, or to provide that copy information to your customer, accountant, supplier or solicitor.

We're here to tell you that those days are a thing of the past! At BHIB, we recognise the valuable part that technology can play in our lives, and business should be no different. Our Virtual Broker Portal makes it easy for our customers to access information any time of day or night.

With the BHIB Virtual Broker Portal, we provide access to Your information, Your Way - all at no extra cost!

View your records, wherever you are!

Our portal grants you full visibility of your policy and claims information and all relevant documentation, 24 hours a day, 7 days a week. You can access the portal via a PC, Laptop, Tablet or Smartphone. We're even available in your favourite app stores - just search for "BHIB Virtual Broker"!

Reduce your Insurance Administration

By providing all important documentation via the portal, you should never need to request copy letters, invoices or policy documents again. Not only does this reduce your own administration time, it also enables you to concentrate on what is most important – managing your business.

Request changes any time, day or night

Our portal never closes! You can request amendments to your policies any time of day or night, which will feed directly into our system to action ASAP*.

**Requested changes are only confirmed as actioned once confirmation has been issued by BHIB*

Claims Management

The portal offers the ability to report non-urgent claims and losses directly from your PC, tablet or smartphone, including the uploading of supporting images and documentation. Of course if the incident is urgent or business critical, you should always call BHIB immediately!

As well as reporting new incidents, you will have the ability to view outstanding claims and losses to ensure you have full visibility of your records.

Useful Information and updates

The portal is a great source of additional information. Not only do we keep you up to date with industry information, we will share links, resources, and our latest tweets, to make sure you know what is happening in the world of BHIB and beyond!

Get in touch with BHIB today and we will be happy to provide a tour of the portal, or get you set up with instant access to your records!
